Draperies

A SOFTER LOOK THAT GLIDES WITH EASE

Experience the smooth and quiet operation of automated draperies by Somfy.

By simply pressing a button on your stylish remote control, your motorized draperies can open or close, taking convenience to a whole new level.

Convenience

Now it's simple to adjust large, tall hard to reach window coverings. Somfy's expertly automated motors offer ease of operation, allowing you to effortlessly and conveniently control the light, heat and view with just the touch of a button

Also perfect for rooms with many windows, now you can easily lift multiple shades with quiet precision -positioning them exactly where you want.

Enjoy and relax knowing that your programmed timer provides enhanced security, creating that "lived in look " even when you are away

Comfort

Too much sunlight is harmful to home furnishings, floor coverings and artwork. Motorized window coverings can be automatically lowered throughout the day to accommodate the setting sun, block harmful UV rays, and protect your valuable interiors.

Offered in a variety of styles to suit your decor, select a window covering based on whether you want to take in the outside view, have total privacy, or anything in between. The possibilities are endless.

Enjoy greater comfort and energy savings as you effortlessly eliminate harsh glare from television and computer screens, while efficiently controlling heat gain and loss.

Control

Take control of your lighting environment and create the perfect atmosphere in every room of your home - enjoy the sunlight and view, or create a more restful, relaxing environment with total privacy.

Somfy's complete line of motorized window coverings can be instantly adjusted to your changing activities or the changing sunlight.

Discover the ease of use and the time saving benefits of changing any room's ambiance with the simple push of a button.

COMPLETE CONTROL WITH RADIO TECHNOLOGY SOMFY (RTS)

Somfy offers a wide variety of controls to suit your lifestyle and personnel preference. You may choose from a broad range of colors and options - handheld, wall switch or automatic timers. All feature enhanced control with no line of sight required, adding extra convenience by eliminating the need to point or aim the transmitter at the window coverings.

Whether you prefer to control individual window coverings or groups of window coverings, Somfy controls provide convenience and ease of use to operating your motorized window coverings.
